Growth Cube

Name one book you have read in the last 6-12 months to help you grow
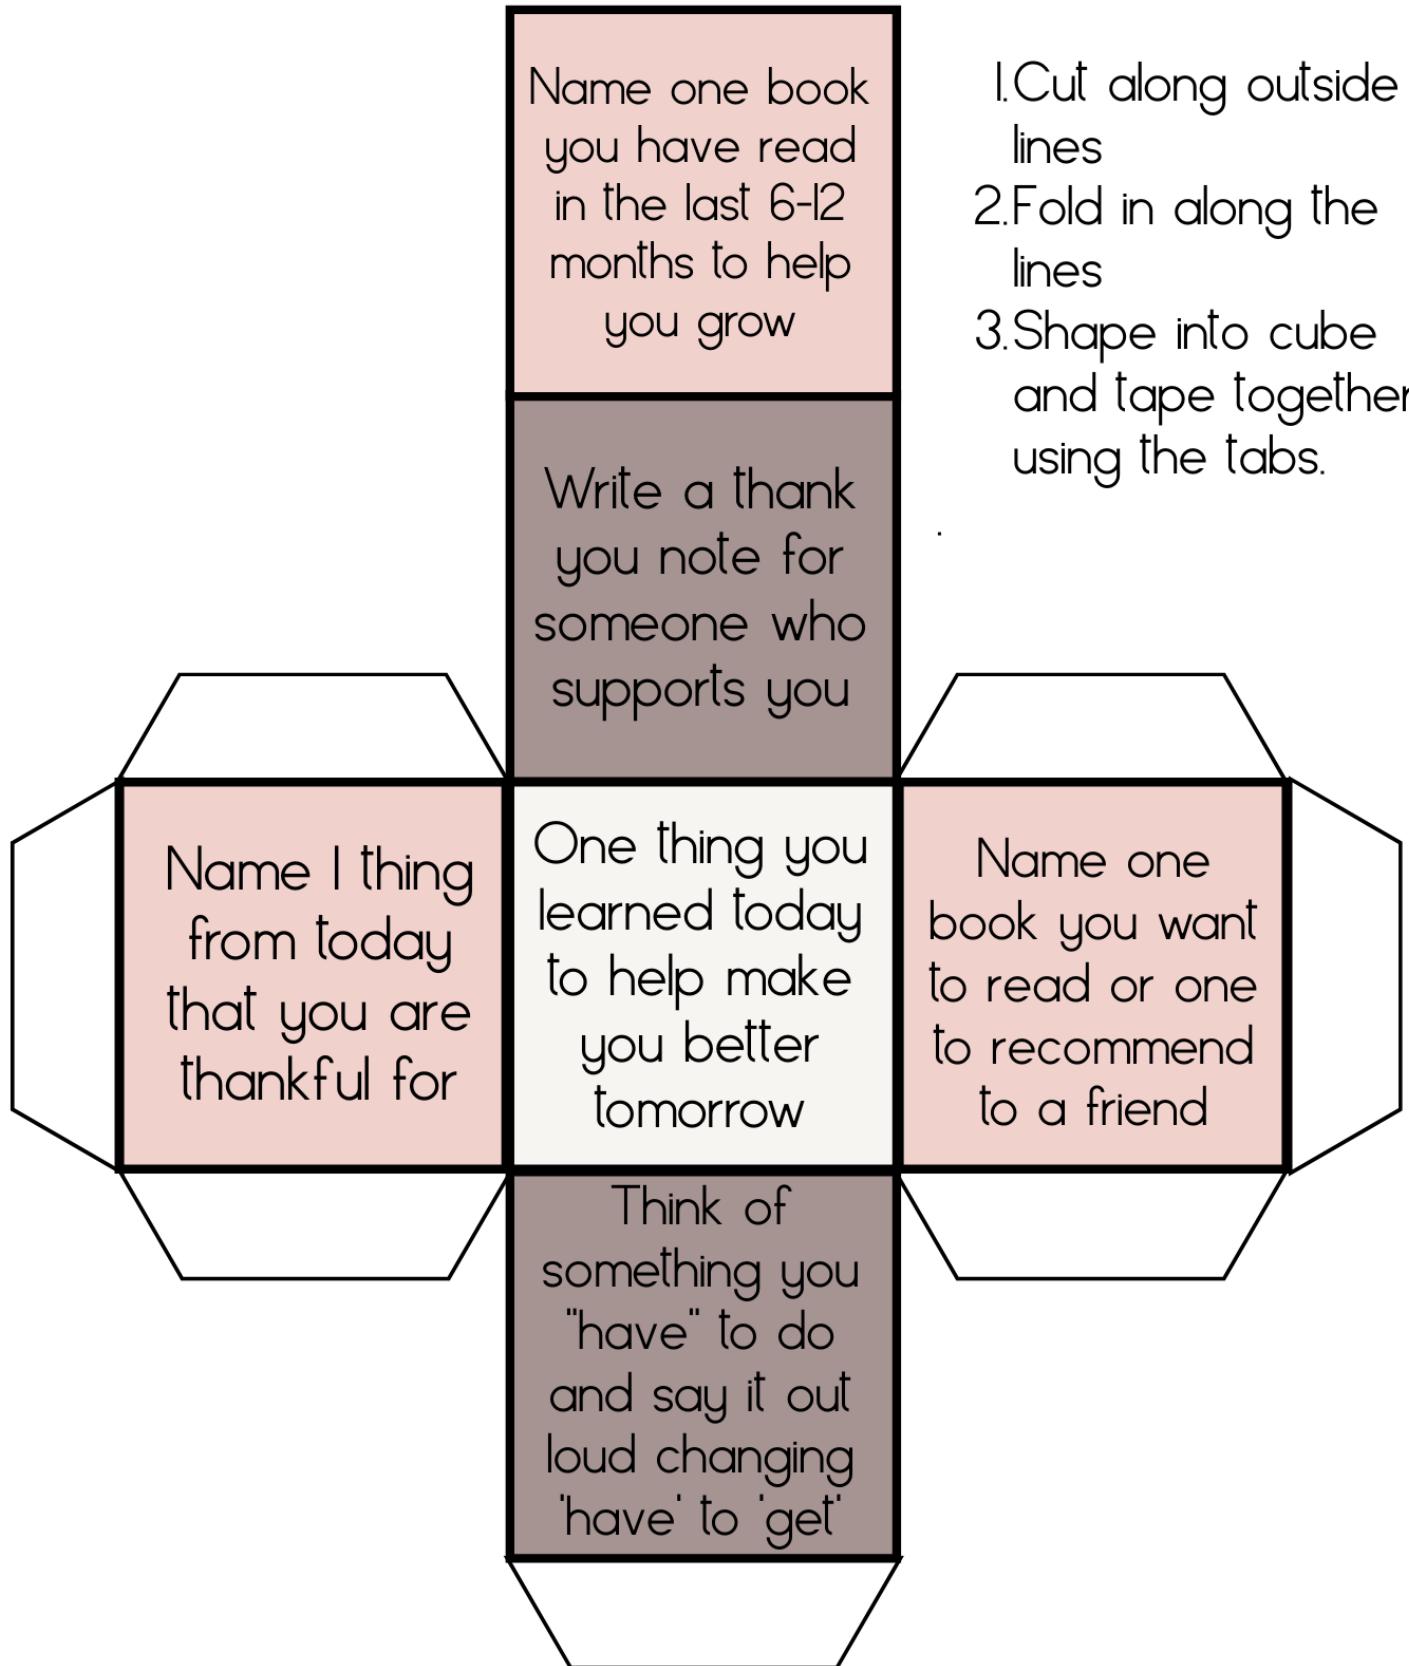

Write a thank you note for someone who supports you

How to make cube

1. Cut along outside lines
2. Fold in along the lines
3. Shape into cube and tape together using the tabs.

.

Name 1 thing from today that you are thankful for

One thing you learned today to help make you better tomorrow

Name one book you want to read or one to recommend to a friend

Think of something you "have" to do and say it out loud changing 'have' to 'get'
